Role description:	<p>We are looking to recruit an experienced property manager to deal with our existing portfolio of blocks of flats. We are a privately-owned limited company and chartered surveyors, specialising in this market, in Central and South West London.</p> <p>At present we have 12 employees, based at our office in Buckingham Palace Road in SW1. We are expanding, as we take on new business.</p> <p>We anticipate the successful candidate will have 10 years plus experience in this sector of property management. They will have some form of RICS or IRPM qualification. They will have worked in the private sector and ideally have London experience.</p>

	<p>We are looking for a professional competent individual who will be able to speak to our clients, who are predominantly directors in residential management companies, holding the freehold of their top end/prestige blocks.</p> <p>They should be able to demonstrate the past successful management of blocks of flats.</p> <p>We will ask for references from past employers and/or clients.</p> <p>We value our workforce and have a very low staff turnover.</p> <p>We offer 25 days holiday per annum.</p> <p>The salary guide is £50-£60k commensurate with experience and qualification.</p> <p>We wish to have the new manager in place in early 2019.</p>
