Role description:	<p>Are you looking for a step up, do you want more responsibility and the chance to take your career to the next level? Who doesn't!? We are working exclusively with a family run Residential Block Management business, who are looking for a Senior Property Manager, you'll be looking after 600 units over 5 Blocks managing some of their most important clients.</p> <p>Therefore, we are looking for experienced Property Managers who are highly service driven and looking for the opportunity to oversee a manageable portfolio where there will be the opportunity to give lots of attention and care to your buildings. Alongside managing this, you will be reporting directly to the Head of Block Management and offering, support, guidance and assistance to a team of Property Managers.</p> <p>As a business, it is their focus to maintain the strength of their current relationships with clients and to work with new developers and continue growing, without losing their service levels. Therefore, you</p>

must take pride in your work and be able to instil this in the team that you oversee. They actively encourage all of their property managers to work as closely as possible with residents to ensure that their needs are fully met.

As a business they have created a chatty, lively and fun working environment, with the balance of hard work and collaboration. If you are a Property Manager who values their service levels, has the ability to manage a team and provide advice and guidance. They also offer training and support through further qualifications.
